WHAT IS A SCHOOL/PARENT COMPACT?

Our annual school/parent compact offers ways that we can *work* together to help our students succeed. This compact outlines a few strategies that can be used to bridge the students' learning from school to home. This compact will:

- Link to academic achievement goals
- Focus on student learning and academic growth
- Offer strategies that teachers and families can use
- Explain how McLean ISD will communicate student expectations and progress with parents
- Describe opportunities for parents and other family members to become involved in our school.

JOINTLY DEVELOPED WITH PARENTS

Our compact is developed by staff, parents and students as we work together to share ideas focused around student learning and the school-home connection. A Title I Committee meeting is held each year to review and revise the school's academic achievement goals and students' needs. All feedback is welcome at any time and that feedback will be reviewed by the committee during the annual revision meeting in order to make changes for the next school year.
