

Parent Rights Regarding Library Materials

(Texas Senate Bill 13, 88th Legislature)

At McLean ISD, we value the partnership between home and school. In compliance with Texas law, we want to ensure parents and guardians are fully informed of their rights concerning school library materials.

Your Rights as a Parent or Guardian

- **Review Library Materials**
You may review all library books and materials available in your child's campus library.
- **View Your Child's Library Records**
Upon request, you may receive a list of the library books and materials your child has currently checked out.
- **Restrict Your Child's Access**
You may restrict your child's access to specific library materials. This restriction applies only to your child.

How to Access These Rights

- To **review library materials** or **request a list of your child's current checkouts**, contact the campus librarian.
- To **restrict your child's access** to specific materials, submit a written request to the campus librarian or principal.

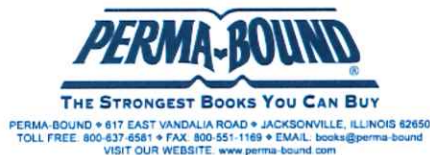

Our Commitment

McLean ISD is committed to:

- Providing age-appropriate and educationally sound library materials.
- Ensuring transparency in the selection and availability of materials.
- Respecting the rights of parents while supporting the educational needs of all students.
